

# Superconductivity

## Measuring the Critical Temperature and Magnetic Field of Tin

Arne Bolsenkötter\*

*Physics Department, Julius-Maximilians-Universität Würzburg*

(Dated: September 18, 2025)

Hier muss dann noch das richtige Abstract stehen

**Executed:** September 18, 2025

**Submitted:** September 18, 2025

**Supervisor:** Dr. Martin Stehno

### ACKNOWLEDGMENTS

We thank our supervisor Dr. Martin Stehno for his great support and generosity.
